

Sharps Meeting March 27, 2023

Attendees: Tom S., Pam G., Bud M., Aimee M., Franklin M., Mary V. – Recording Secretary

Recent lot sale by Jerry to Keith and Lorraine Haggard South section Row 15 Lot 16s. Add H to cornerstone order.

Tom to call Sartin Memorial 877-836-0332 in St. Georges Delaware once cornerstone list is complete. It is unknown if they deliver so we may need a volunteer with a truck to pick up the order. Six by six etched stones is the requirement.

Website inquiry about a lot sale from Craig Lins 302-569-0209. Aimee will contact him and meet at site to determine a location. Pam to provide basic information form, PDF of map. \$1000 for single lot, \$1800 for double, this includes cornerstones. May need to add L to the list before ordering.

Bart Mackie family has a large grouping of lots including about 16 people. An old note card from Albert Moore indicates the lots are full. Family wants to bury ashes here. There are no container requirements. Can put up to 3 urns on a lot at a \$200 fee for each. Last burial was 20 + years ago so deed holder is unknown. Tom will be notified of when this is to take place so we can open the ground and mark the location near the headstones. A flat marker would be installed later.

Posts have been installed thanks to Trevor Martin, Aimee's husband. The positioning is great, but they have not yet been cemented in place. It needs to be determined if chains between each are needed. They do have the hooks in place for chains.

Lawn care to be done again by Maddox Martin. Start date to be determined by need. Mid to late April is expected.

Next meeting April 24th at 7 pm.
