

## Sharp's Cemetery Board of Directors Meeting – 3/12/18

---

**Attendees:** Tom Swan, Charles Moore, Jerry Hendricks, Pam Goffinet

- **Fence.** We have not received an estimate from the Maccaris about painting the fence yet. They did recommend scraping off the old paint rather than sandblasting since that would open up pores leading to quicker deterioration.
- **Burials.**
  - An urn of the remains of Charles Levis will be buried on April 14 in South Section, Row 13. Name will need to be carved on existing stone. ABBA will do it for \$150. We will be paid directly and forward the money to ABBA.
  - Burial of the David Mackey urn is still unresolved. There are 12 gravesites in the Mackey plot, Center Section, Rows 20 and 21, and the marker lists ten names, but we don't know the exact locations.
  - Howard Skinner's niece wants to bury her father's urn in the same plot, Above the Driveway, Row 35, Plot 9. Would like two separate stones, one upright and one flat which was approved.
  - It was resolved that we charge \$200 to bury urns with \$50 retained and \$150 paid to the persons performing the service.
- **Finances.** We took a hit when the market dropped, but has now recovered to the value at the year's start.
- **Mowing.** Pam confirmed that Eric will charge \$250/mowing this year, up from \$225.
- **Webpage.** Jerry has updated the Old Stone Cemetery section. Previously the entire document prepared by Evan Gruber was scanned and uploaded as one file. He received the original files and now all the

interments are listed on one page with links to a description of the headstone including a color photo.

- **Cleanup:** We will clean up the remaining Christmas decorations on March 22 at 10:00 a.m in preparation for Easter.
